Reactivation Policy

Students who go two years without registering or do not complete their degree within six years must petition the Graduate Studies Committee for reactivation. The Graduate Studies Committee may decide to reactivate or deny reactivation. It may also decide that reactivation requires additional study of developments in the field. Reactivation is needed for graduates seeking continuing education courses.

This form must be signed by the student, the student’s advisor and the Graduate Studies Chair the semester the student plans on graduating.

Conference Funding and AAEP Events

A total of \$200 is available for conference funding each academic year (Fall-Spring). This department funding is only available to you if you 1) can prove paper acceptance; 2) have applied for, received, and exhausted external funding; and 3) have attended and/or participated in two AAEP sponsored (or co-sponsored) events during the academic year in which you seek funding. If you seek funding before you have had the opportunity to attend or participate in two AAEP sponsored (or co-sponsored) events, please simply list the two events you plan to attend that year.

When applying for the AAEP conference funding, you must upload this page of your plan of study with your spend authorization in Workday. Failure to follow through on participation in the two AAEP sponsored (or co-sponsored) events that you have listed will impact eligibility to receive department funding the following academic year.

In the table below, indicate the events you have attended or plan to attend for the academic year.
